Thanksgiving

The year has turned its circle
The seasons come and go
The harvest is all gathered in
And chilly north winds blow
Orchards have shared their treasures
The fields, their yellow grain
So open wide the doorway
Thanksgiving comes again!

Layla's Birthday Walk
Nov 22-24 Thanksgiving Break -
NO SCHOOL

Announcements

As a special school-wide project we will be collecting non-perishable items for the local food cupboard starting November 6th. We'll have a "Giving Basket" out until November 21st. Children can place donations in the "Giving Basket". Thank you in advance for your generosity!

The children have been busy creating artwork that you can have printed on dozens of items. Original Works is the company we use to produce these unique products. A portion of the proceeds will remain at the school to be used for educational tools. More information to come!

We are partnering with *Help Me Grow Maine* to complete developmental screenings this year. Please refer to the email sent to you on October 18th for more details. For those families choosing to participate, the ASQ-3 and ASQ:SE-2 questionnaires need to be completed by Wednesday, November 15th.
