### Announcements

The children will be creating "recycle art" this month! To do so, we need lots of different recyclable items. If you have any small recyclable items (ie, lids, caps, etc.) that can be glued onto paper/cardboard, please have your child bring them in. As we move into "mud season", you may want to consider sending rain pants in with your child. If you do, please make sure to label the pants with your child's name.

Our summer camp schedule will be released soon. We will open slots to current Highland preschoolers first, and then offer remaining openings to the public. Camps will be offered in June and July (3 and 4-day a week options).
