Chickens Aren't the Only Ones
Little Blue and Little Yellow
One

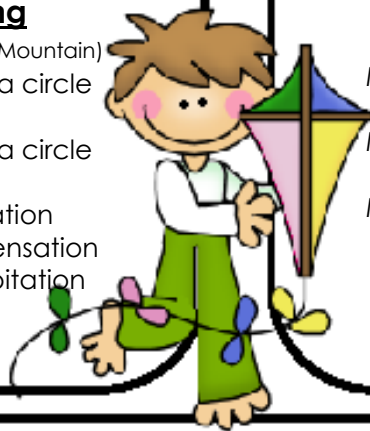

Water Cycle Song

(tune: She'll Be Coming Around the Mountain)

The water cycle goes in a circle
Yes it does!

The water cycle goes in a circle
Yes it does!

It goes up as evaporation
It forms a cloud as condensation
It travels down as precipitation
Yes, it does!

Important Dates

- March 1 PJ DAY!
Tuition Due

Announcements

To celebrate Read Across America Day, your child may wear his/her pajamas and bring a special book to school on Wednesday, March 1st! Later this month, we will be introducing a special science center by setting up an incubator and hatching our own chicks. Each class has their own automatic turning incubator. We care for the eggs by keeping them warm and safe and anxiously count down the days until they hatch....which is VERY eggs-citing!

Reminders: Registration for the 2023-24 school year is now open to everyone! Please pass this along to friends or family with preschool age children. Our Highland families are our best advertising, and we thank you for that in advance!
