March 1 Tuition Due  
March 9 Book Orders Due  
March 16 Naturescape Day  
William's Birthday Walk

Note: This month we have Parent Visit Mornings. To sign up, click the link in your recent E-backpack.

### Announcements

This month we will be introducing a special science center by setting up an incubator and hatching our own chicks. Each class has their own automatic turning incubator. We care for the eggs by keeping them warm and safe and anxiously count down the days until they hatch....which is VERY eggs-citing!

**Request:** We are asking each family to send in one of their favorite recipes. It can be an appetizer, salad, entree or dessert. We will be using it for an upcoming project. You can email it to us or give us a printed copy at drop-off. Thank you in advance!
