Spring Day

Let's go out and play
On this early Spring day
We can jump in puddles
And get muddy
Or, we can plant seeds
With our favorite buddy!

Announcements

We released our summer camp schedule in an email sent to all parents on March 27th. We are holding slots for current families until Monday, April 8th. After that day, we will open camps to the public. Camps usually fill fast, so please don't wait to register. Full payment is required with a completed registration form. All camps will run from 9:00 am to noon.

Reminders: As the weather gets warmer and the ground gets "muddier", please be sure to have your child wear clothes that you don't mind getting dirty. Another option would be to send in waterproof rain pants.
