It Looked Like Spilt Milk
Little Cloud
The Rain Came Down

Water Cycle Song

(tune: She'll Be Coming Around the Mountain)

The water cycle goes in a circle
Yes it does!

The water cycle goes in a circle
Yes it does!

It goes up as evaporation
It forms a cloud as condensation
It travels down as precipitation
Yes, it does!

Important Dates

March 1 Tuition Due
March 5 Taylor's Birthday Walk
March 11 Book Orders Due
March 21 Oliver's Birthday Walk
March 26 Naturescape Day
March 28 Gracelynn's Birthday Walk

Note: This month we have Parent Visit Mornings. To sign up, click the link in your recent E-backpack.

Announcements

This month we will be introducing a special science center by setting up an incubator and hatching our own chicks. We care for the eggs by keeping them warm and safe, and anxiously count down the days until they hatch....which is VERY eggs-citing! We will also be starting a "Buddy Reading" program with the Libra Montessori Kindergarteners. Each day two children will go to the upstairs classroom to listen to a Kindergartener read them a story.

Request: We are asking each family to send in one of their favorite recipes. It can be an appetizer, salad, entree or dessert. We will be using it for an upcoming project. You can email it to us or give us a printed copy at drop-off. Thank you in advance!
