Pumpkin Soup
Room on the Broom
5 Little Pumpkins
Leaf Man

Creepy, Crawly Spider

Oh, a creepy, crawly spider
Crept up on my toes
She crept & crept & crept
Right up to my nose!
My nose felt a tickle,
And I said "Ah-Choo!"
And out the window
That little spider flew!

Important Dates

October 1 Tuition Due
October 10 Picture Day
(rain date: 10/12)
October 11 Book Orders Due
October 24 Myles' Birthday Walk
Naturescape Day
October 31 Halloween Celebration

Announcements

Our first Naturescape Day of the year is October 24th. Nature will become our classroom on these days, as we will spend the majority of our day outside. Bringing appropriate outdoor clothing is especially important on these days. We will be celebrating Halloween on Tuesday, October 31st. Children may wear their costumes to school. We will have a costume parade in the class. If your child is uncomfortable with dressing up in costume, we completely understand. Please simply bring them as their own special and important self!

Reminders: In October, we can have warm days and quite cool days, so please be sure to bring the appropriate outerwear for the weather (incl. rain!). Please also make sure **all clothing is labeled**.
